# UNIFORM 2023

---

The Uniform 2023 collection presents the fundamental pieces of Silk Laundry. Derived from the popular 90's Silk Slip Dress, the collection's concept is synonymous with Silk Laundry's ethos — to deliver refined styles intended to withstand seasonal trends.

*“The Uniform collection is the essence of our beginnings. I see each piece as a fundamental building block to all seasonal collections I create. As it expands, with the introduction of new fabrics, silhouettes, and colours, the collection will always be purposeful and perennial.”*
