LOOKBOOK WOMENS SS23

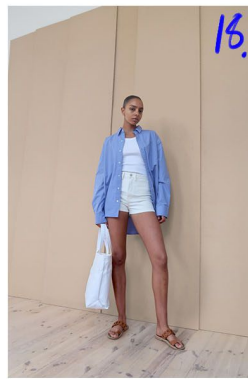

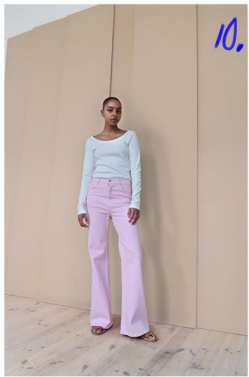

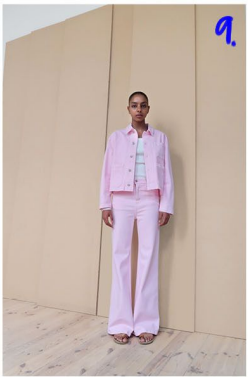

CURATED PROGRAM SS23

The Jeanerica Spring/Summer 23 collection draws inspiration from timeless denim staples and updated American sportswear, placed in a modern European context.

The collection aims to create a contemporary look with premium denim serving as a base. Modern yet classic fits are introduced as well as refreshing washes and qualities like 'home wash gone bad' Blue Vein, silver foiled grey and Space-dye denim.

The denim can be dressed up or down with the new, much wider range of seasonal ready-to-wear. Poplin shirts, light mohair knits, skirts and shorts in a color palette of Miami pink, sky blue and khaki, as well as a striped linen-cotton pajama set.
