SPRING / SUMMER 2023

LOOKBOOK

## ZEENAT AMAN

An Indian actress and model, Aman established herself as a leading Bollywood actress in the 1970s. Breaking the stereotype and choosing out of the box characters, she challenged tradition with every role she took on and off screen. Often credited with introducing a certain boldness to Indian cinema, Zeenat Aman is recognised as a disruptor to this day and helped introduce the hippie trend to India. Wrapped in Layers of charisma, her personal style was far ahead of her contemporaries.

## SPRING 2023

Spring continues to celebrate new proportions and fabrications to dress up or down. Washed lurex voiles, delicate swiss dots, soft lavenders, cornflower blues and hits of greens are introduced in new takes on gingham, stripes, paisleys and florals. Worn barefoot in a garden or with a great heel, these styles will complement any occasion.
