

YVONNE KONÉ

About

YVONNE KONÉ is a
Copenhagen-based fashion
accessories brand started in 2011
by *award-winning* designer Yvonne
Koné. Our leather bags and shoes
are *carefully handmade* in small
batches in Tuscany, Italy, from high
quality, locally-sourced leather.

They are investment pieces that celebrate traditional craftsmanship and exquisite details, blending Scandinavian simplicity and a playful approach to color that nods to Koné's African roots. We do not follow trends, seasonal themes or other gimmicks; instead, we focus on making refined classics with pared-back aesthetics and enduring appeal produced in limited edition colors.

YVONNE KONÉ is sold in selected Nordstrom shops, at Shopbop, and at the flagship store Store Strandstræde in Copenhagen.
